Subject: CRNF - Proposed Order

Ex. 7(a)

Hi Pat –

Attached are proposed edits, comments and questions on the proposed Order.

To the extent applicable (where paragraphs are intended to be identical), our edits or comments apply to the CAFO, as well.

I understand EPA wants to progress this as soon as possible. Tomorrow is a little difficult for me to talk – I can do first thing in the am on Monday, if that works. If you do want to talk tomorrow, please let me know and I will try to make it work.

We're nearly done preparing our responses to the SEP-related questions and the CAFO. I'll be forwarding these on shortly, likely early tomorrow am.

Thank you very much,
Alix
